EXHIBITIONS

TREASURES OF THE IMPERIAL TABLE 11 MARCH – 1 NOVEMBER 2023

Gold Spoons & Imperial Tableware | at the Schloss Hof Estate
 The new special exhibition shows the most exquisite pieces from the inventory of the former Imperial Court Silver and Tableware Collection, vividly illustrating the glittering world of courtly dining culture from the Baroque era to the age of Historicism.

NEW: The exhibition extension entitled “Service with Personality” is devoted to famous Habsburg personalities such as Empress Elisabeth and Maximilian of Mexico. Moreover, it includes motif plates from the Biedermeier era with the motto “Art on your plate”.

Kitchen Secrets Behind the Scenes | at Schloss Niederweiden
 This exhibition puts the final topping on the theme of Imperial dining culture by presenting an inside view of court kitchens. It conveys a fascinating impression of the complex tasks of court management and the enormous effort taken to organise the opulent ceremonials of the Imperial Household.
